

Eden On Fire signs to DI Records

Erie, PA USA - November 4, 2023 - Symphonic, melodic metal band, Eden On Fire is excited to announce that they have signed to DI Records. This new partnership promises to expand the reach of Eden On Fire's music to a larger audience worldwide.

DI Records is a digital independent record label founded by Dakota Horbaczek in 2019 and based in Pittsburgh, PA. On August 1st, 2021, DI Records joined the Misra Records Label group.

Since their career started back in June of 2022, Eden On Fire has hit the ground running. They have performed in several states and continue to expand their reach. Eden On Fire has released three singles that are being played on numerous online and conventional radio shows. Their music video, Listen To Me, trended on YouTube for several weeks and gained over 13,000 views in three months time. They are currently working in the studio on a full album.
